Meet The Committee

Gavin joined VTA in 1986, he has been Treasurer, President (twice) and been on the committee for over 25 years.

He has written and directed many shows and co-directed/written others. He put a troupe of performers together to raise funds to help build the Event Centre. He believes in encouraging the younger members and sharing his knowledge as they are the future of VTA. His favourite show is JC Superstar (yes he's got the tee shirts to prove it) and finally would love to see Rocky Horror performed here one day.
